

# IFIGENEIA Kickoff Meeting - Aristotle University of Thessaloniki, Greece, 3-4 April 2025

## Thursday 3 April 2025

### WP4: Radioisotope production and radiopharmaceuticals (15:50 - 17:40)

time	[id] title	presenter
15:50	[40] T4.1 Develop Lab conditions (radiation protection) needed for producing these isotopes.	
16:05	[41] T4.2 Identify best Isotopes for production with LINAC	
16:20	[42] T4.3 Investigate best Ligands for development within excellent hub	
16:35	[43] T4.4 Perform the development and testing of ligand-isotope compound	
16:50	[44] T4.5 Develop protocols for pre-clinical evaluation of ligand-isotope compound
